Dear Friends

The Justice and Peace Commission of Cape Town has been tasked by the Archbishop to create a structure where Catholic nursing staff can gather and meet others in the field.

It will be aimed primarily at addressing the spiritual needs of Catholic nurses serving the various institutions in the greater Cape Town area.

We call on all those interested to contact us at info@justiceandpeace.org.za or Tel 021- 462-2417. (If you phone please leave your contact details at the Chancery office as we do not have full-time staff at present.) Alternatively you may SMS your contact details to 082 374 6264 and we will get back to you.

We look forward to hearing from you soon.

God bless

J&P Administrator
